

# FYS4150 Project 1: 1-dimensional Poisson equation

Marie Foss<sup>1</sup>, Maria Hammerstrøm<sup>1</sup>

<sup>1</sup> Institute of Theoretical Astrophysics, University of Oslo

**Abstract.** We discovered ...

## 1. Introduction

The phenomenon of ...

## 2. Observations

### 2.1. Instrumentation

See Fig. ??.

## 3. Analysis

The modeling of ...

## 4. Conclusions

The answer is 42.

*Acknowledgements.* We are much indebted to Rob Rутten for exemplary instruction. Our research made much use of NASA's Astrophysics Data System.
